U. S. Department of Agriculture

Dear Friend:

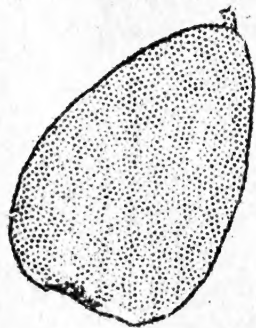

Your planting needs are of the greatest concern to us. We've been figuring every possible way to keep operating costs at a minimum, so you wouldn't have to pay more for your plants this spring.

By not issuing a new catalog our "overhead" has been reduced by a large percentage. Consequently you can buy from us at the same prices as last year.

Do you have our last spring's catalog? If not, just drop us a card and we'll be glad to send one to you. We still have some on hand but want to distribute them to those who need them. If you do have it, you may order from it this spring at last year's prices. You'll find the descriptions in the catalog of the things offered below, so if you need one, be sure to let us know.

If you haven't already ordered the nursery stock you want to get this spring, you'd better be getting that order in the mail. And keep this condensed list on hand in case you want something more later on.

PEARS

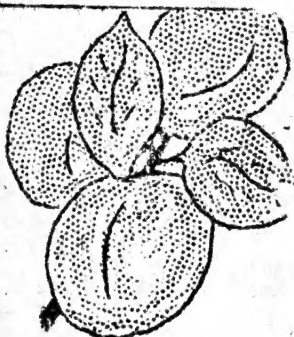

Sodak Pear) \$1.75
Seedless Pear) Each

North China Pear
Siberian Pear
Harbin Pear
75¢ Ea.; 3 for \$2.00
